

# TRAINING RESOURCES

## ITRAINING

### ONLINE SYSTEM INTRODUCTION

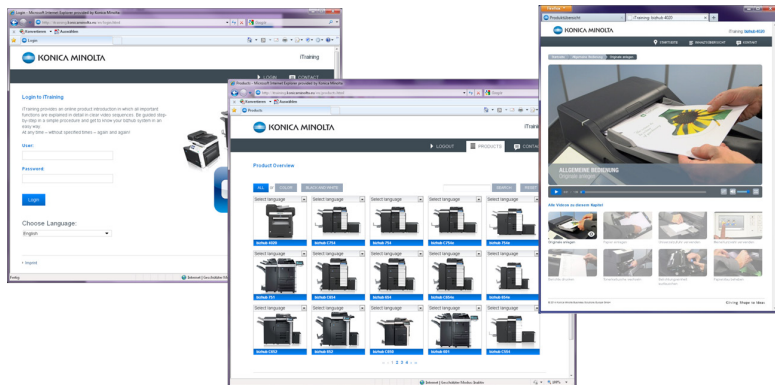

iTraining provides an online system introduction in which all important functions are explained in detail in clear video sequences.

Step-by-step guidance, providing simple instructions to help you get to know your multifunctional device in an easy way.

Available at any time - day or night!

### HOW TO ACCESS ITRAINING

To ensure it is as simple as possible for you to access the iTraining system, we will attach a QR code sticker to the device, which will direct you to the iTraining web

### MAIN FUNCTIONALITIES

The iTraining covers the main functionalities of the system. The main functionalities can vary from system to system (i.e. box functions, colour functions, fax functions) which is why our iTraining is machine specific.

The content of iTraining provides a useful starting point for users and is ideal for use as a refresher after delivering our on-site training.
